PIONEER FARMERS' MARKET

The new Sergeant Bluff Farmers Market located next to the Community Center is now open seven days a week from 9am to 4pm. Hours are subject to change as the season moves forward. Please visit our Facebook page <http://facebook.com/sbpioneerfarmersmarket> and website for details. This market is not just fresh produce, they will also have meats, eggs, flowers, plants and more. New vendors are arriving weekly.

FINGERPRINTING

The Sergeant Bluff Police Department provides fingerprinting services to the public. An individual's personal fingerprints remain the single unique way to positively identify someone.

As a result, there are varieties of reasons that national, state and local laws and ordinances require the public to be fingerprinted. A few reasons why the public may be fingerprinted are for employment or applications for local licenses or permits. The Sergeant Bluff Police Department does not retain a copy of these fingerprints.

No appointment is needed, walk-ins are welcome. The cost is \$10 and can be paid in cash or check (for the amount only). Please make check or money order payable to Sergeant Bluff Police Department. Please bring a valid identification card or driver's license with you at the time of fingerprinting.

KEEP IT TRIMMED

Please do your part as a good neighbor and cut your grass. If you will be out of town, please arrange for someone to maintain your yard. City ordinance requires every property owner to cut, mow, and maintain all grass and yard debris upon the owner's property. In addition, no grass dumping is allowed. It shall be presumed that a health, fire, or safety hazard exists when weeds or grass is in excess of ten (10) inches in length (Ord. 52.02). If your lawn length exceeds 10 inches, the City will be contacting you.

Please contact the Building Inspector if you have additional questions: 712-943-9617
